Mr. Tibbetts,

This letter is to express my sincere appreciation for the outstanding job that your company, EMC Mechanical Services, did on the Tactical Support Equipment Department (TSED) project at Fort Lee, Virginia. Although our project provided many challenges to the design-build team, your company displayed a can-do attitude and desire to do quality work that was instrumental in the successful completion of this project. It has been a pleasure working with your company on this project and I look forward to another chance to work with you in the future, should the opportunity be presented.

Sincerely,
