RE: Center Point Middle School Project

Mr. Van Benschoten,

Kenbridge Construction is pleased with the performance of EMC on the above referenced project. We have worked together for many years and EMC continues to deliver a quality project in a professional manner. With the help of your team we produced a quality project without missing our deadline. I would like to thank you and your staff for working with us on this one and we look forward to working with you again in the near future.

I can confidently recommend EMC as a valuable asset to any project given their "team" approach, their commitment to quality service, and their ability to clearly communicate. Please feel free to contact me should you require any additional information regarding this project or EMC in general.

Best Regards,

A handwritten signature in blue ink that reads "Emory M. Hodges". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.

Emory M. Hodges
